Laser Clay Target Shooting

What is Laser Clay Target Shooting?

A modern, interactive twist on clay target shooting.

Using modified shotguns fitted with infrared technology, participants shoot at flying clay targets.

Every hit is recorded instantly with live scoring and realistic sound effects, creating a fun, competitive group experience that's easy to pick up and hard to put down.

Safe, simple, and seriously fun.

Everything is fully hosted from start to finish, so you can just turn up and enjoy the experience.

- Full instruction provided / No experience required
- Up to 5 shooters at once keeps everyone involved
- Fast-paced group format / no long waiting times
- No recoil deactivated 12g shotguns
- Real-time scoring with sound effects for a competitive edge
- Suitable for all ages and abilities.

Flexible location & timing options.

Laser Clay Shooting is **fully mobile** and can be set up in a wide range of outdoor locations.

- **Minimum space required: 50m x 20m**
- **Available for daytime or evening events**
- **Luminous clays used for night-time shooting**

We can come to your venue or event, or you can join us at our scenic Queenstown Hill location.

If you're unsure about a site, we can help recommend or arrange a suitable location for your group.

For groups who want something different.

Ideal for corporate events, team building, stag and hen parties, weddings, and private celebrations.

It's relaxed, social, and naturally competitive from the first round.

Easy to learn, and fun for groups of all sizes.
